Prompt Guide: Tests

This document presents examples of prompts for different image generation tools, demonstrating the application of concepts for character and scenario consistency.

ImageFX - Scenario: The Horse and the Canary

1. A gentle, friendly horse standing beside a small injured canary with a broken wing, in a peaceful meadow near a shallow stream. The canary looks up at the horse with hope. Sunny morning lighting, storybook illustration style, soft colors, magical atmosphere.

2. The horse carrying the canary gently on its back while crossing a small sparkling creek. The water reflects the sunlight, and the canary holds a small bundle of food in its beak. Wholesome and emotional moment, children's book illustration style, warm tones.

3. The horse standing on two legs, carefully lifting the canary with its muzzle up to a tall tree branch where a nest with baby birds awaits. The scene captures kindness and trust. Soft, dreamy background, forest edge, classic fairytale art style.

4. A cozy and heartwarming ending scene: the canary reunited with its happy baby birds in the nest, while the horse watches with a gentle smile from below. Peaceful sunset in the background, vibrant colors, illustrated in watercolor children's book style.
