Acessar: github.com

Clicar em “Sign up”

GITHUB

Se você ainda não tem um GitHub, o primeiro passo é você fazer o seu cadastro

Em seguida, ele vai pedir para você preencher seu e-mail, senha e escolher o nome de usuário

É só seguir esses passos e em seguida clicar para se cadastrar

Feito o cadastro, você já tem uma conta no GitHub. Agora vamos começar a criar seu perfil

The screenshot shows the GitHub homepage with a dark theme. At the top, there is a navigation bar with links for Pull requests, Issues, Codespaces, Marketplace, and Explore. On the left, there is a sidebar with options to Create your first project, Create repository, Import repository, and Recent activity. The main content area displays a 'Following' feed with a large card encouraging users to Discover interesting projects and people to populate their personal news feed. Below this, there is a ProTip about the feed showing events from followed people and watched repositories. A 'Latest changes' section on the right lists recent updates, such as managing branch protection rules and pull request merge queue. A prominent promotional card for GitHub Codespaces is overlaid on the right side of the feed.

The screenshot shows the GitHub homepage with a dark theme. At the top, there is a navigation bar with links for Pull requests, Issues, Codespaces, Marketplace, and Explore. The user profile icon is located in the top right corner of the header. Below the header, there are sections for "Create your first project" (with "Create repository" and "Import repository" buttons), "Recent activity" (with a note about providing links to activity), and "Discover interesting projects and people to populate your personal news feed" (with a "Explore GitHub" button). A "ProTip!" section and a "Subscribe to your news feed" button are also present. On the right side, there is a "Start coding instantly with GitHub Codespaces" card and a "Latest changes" section listing recent updates. The user profile icon is highlighted with a red box.

Ao clicar no ícone do seu usuário, vai abrir esse menu

Esse é o seu perfil do GitHub, o que os recrutadores vão visualizar assim que acessarem sua conta

The screenshot shows a GitHub profile page for a user named `lucaslealx`. The profile picture is a placeholder image of a blue and white checkered flag. The page includes a navigation bar with links to Pull requests, Issues, Codespaces, Marketplace, and Explore. Below the navigation is a menu with Overview, Repositories, Projects, Packages, and Stars. The Overview tab is selected. A section titled "Popular repositories" displays a message: "You don't have any public repositories yet." Below this is a "Contribution graph" for the year 2023, showing a single green square for a contribution made on Wednesday, February 1st. The graph includes a legend for contribution levels: "Less" (dark grey), "More" (light grey), and "More" (green). A text box explains the graph and provides a link to a "Hello World" guide. At the bottom, a "Contribution activity" section shows a "Joined GitHub" event for February 2023.
