## AULA 1

### 1º MODELO DE RESPOSTA

Tell me about yourself?

As you know my name is Gustavo Oliveira, I work with design for over 20 years, I started working as a graphic designer and creating t-shirts designers for brands, I used to manage all the art departments leading with customers and providers.

(My name is Gustavo Oliveira, I am a graphic designer graduated in Brazil.)

(My name is Gustavo Oliveira, I am a graphic designer graduated at Unicamp in Brazil.)

I also have a lot of experience in artwork for social media and website development as well as digital marketing. I am currently working in this field as a freelancer.

But my passion is UI design. Making things easy and beautiful is my pleasure, I feel it's the future, it's the evolution.

I believe this company has stood out in this field and after reading this job description I believe I can bring my abilities to the company and also learn from your leaders and grow in my career.

I am used to working on a project end to end.

Over the years I achieved a set of skills that I believe that match this job description.

I am a very hard worker and focused on results.

I am very organized in my job, I like to do things always on time.

I am happy to work on my own, but I also like to be part of a team where each one has a specific role and we can integrate each other.

Well, I am a very fast learner, if you give me a task, I will learn it quickly, I really like to learn new things and have new challenges.

## AULA 1

### 2º MODELO DE RESPOSTA

My name is \_\_\_\_ I am graduated in \_\_\_\_.

My name is \_\_\_\_ I have a commercial driver's license and \_\_\_\_ years of experience.
