

## Budget and Billing

Your company has reserved a monthly budget for your project. You want to be informed automatically of your project spend so that you can take action when you approach the limit. What should you do?

*Selecione uma alternativa*

- A** Create a budget alert for 50%, 90%, and 100% of your total monthly budget.
- B** In the GCP Console, configure billing export to BigQuery. Create a saved view that queries your total spend.
- C** Link a credit card with a monthly limit equal to your budget
