

## Broadcast communication

Considering PC1 sent a broadcast packet, which ports will this broadcast packet leave?

Selecione uma alternativa

- A** Since it's a broadcast packet it will leave to all ports: 1, 2, 3 and 4
- B** It will leave on the ports 1, 3 and 4
- C** It will leave on the ports 2, 3 and 4
- D** Since it's a broadcast packet the Switch will drop it because it doesn't transmit broadcast packets
