Before opening after effects file, download and install all fonts bellow:

<https://www.fontsquirrel.com/fonts/montserrat>

<https://www.fontspace.com/iamtiago/air-americana>

<https://www.fontspace.com/bagel-and-co/bebas>

<https://www.fontsquirrel.com/fonts/oswald>

<https://www.fontspace.com/ardyanatypes/fontania>

<https://www.fontspace.com/khurasan/fake-serif>

<https://www.fontspace.com/johan-aakerlund/comfortaa>

<https://www.fontspace.com/barrilubis/mattilda>

Inside Instagram Stories 21n1.aep you will find two folders:

*INSTAGRAM

DO NOT TOUCH THIS FOLDER (do not touch it)

Inside *INSTAGRAM you will find 21 folder named Insta_Number

Inside Insta_Number there is Insta_Number composition and Edit folder

Insta_Number is final look of wanted stories and inside Edit folder there is:

Image_BG (add photo or video here and adjust it size)

Text_1 (change to your text)

Text_2 (change to your text)

Text_3 (change to your text)

Text_Swipe_Up (change to your text)

Inside Insta_Number composition there is Settings layer there you can:

Change background gradient colors, change text color and hide swipe up arrow and text
