

INSTAGRAM STORIES BUCKET LIST

TUTORIAL

Before opening Instagram Stories Bucket List.aep go to **3. Font** folder and install font

Note - You can use this font only for this project, if you need it for other projects, get it here:

<https://elements.envato.com/garry-tall-font-M9USGY>

Inside .aep you will see two folders:

*Instagram

DO NOT TOUCH THIS (do not touch it)

Inside *INSTAGRAM there is:

Bucket List

Completed Templates (1 of 9 templates to create 15 sec. Story of completed list item)

Inside Bucket List there is:

Bucket List 10 (use this if you need list of 10 items)

Bucket List 20 (use this if you need list of 20 items)

Bucket List 30 (use this if you need list of 30 items)

Inside Bucket List there is:

Bucket List 10, 20, 30 composition (final look of bucket list)

Edit folder

In Edit folder there is:

BG_Image (Drag background image, adjust it size. You can leave it blank and have only colorful bg)

Bucketlist_title (here you can name your bucket list)

Complete Stamp Text (you can change stamp text from Completed to something else)

List_Item_1 to 30 (name your list items, your goals)

Swipe Up Text (change swipe up text)

Inside Bucket List 10, 20, 30 there is Settings layer:

Top BG Color (top gradient color)

Bottom BG Color (bottom gradient color)

List Title Color

List Item Color
Border Line Color
Swipe Up Arrow Color
Swipe Up Text Color
Hide Swipe Up
Completed Stamp Color
Completed Item 1 - 10 (check checkbox after completing list element and COMPLETED stamp animation will appear on that list element)

Inside Completed Templates there is Completed Templates 1 - 9, inside it:
Template_1 - 9 composition (final look of completed list item)
Edit Folder

In Edit Folder:
BG_Image (add and adjust background image or video)
Bucketlist_Title_Text
List_Item_Text
Swipe_Up_Text

Inside Template_1 - 9 there is Settings layer:
Top BG Color (change top gradient color)
Bottom BG Color (change bottom gradient color)
List Title Color
List Item Color
Swipe Up Arrow Color
Swipe Up Text Color
Hide Swipe Up
Hide BG Image (hide low opacity background image and have only colored background)
