

Lista de Recomendações

Plataformas e Produtos

1. Clickbank – COMECE POR AQUI!

- Plataforma focada em produtos digitais (cursos online, softwares, treinamentos) e produtos físicos focados em emagrecimento (perda de peso, vida saudável e esportes)
- Site: www.clickbank.com
- Ideal para iniciantes por ter muitos produtos com as ferramentas para divulgação prontas!
- Não requer aprovação prévia para promover os produtos

2. JvZoo:

- Plataforma focada EXCLUSIVAMENTE para produtos digitais (cursos online softwares e treinamentos).
- Site: www.JvZoo.com
- Plataforma um pouco mais avançada já que grande parte dos produtos não oferecem as ferramentas para divulgação prontas!
- Requer aprovação prévia para promover os produtos

3. Warrior Plus:

- Plataforma focada em produtos digitais (cursos online, softwares, treinamentos).
- Site: www.warriorplus.com
- Ligeiramente mais avançada já que grande parte dos produtos não vem com as ferramentas para divulgação prontas
- Não requer aprovação prévia para promover os produtos

4. Jumbleberry (Avançado):

- Plataforma focada em produtos digitais e físicos (cursos online, suplementos, maquiagens, softwares, treinamentos).
- Você já precisa ter faturado bem em outras plataformas como Clickbank, JvZoo, Warrior plus, etc...
- Site: www.jumbleberry.com
- Ligeiramente mais avançada, mas os produtores (donos dos produtos) oferecem uma gama completa de ferramentas!
- Requer aprovação prévia para promover os produtos

5. Digistore24:

- Plataforma focada em produtos digitais e físicos (cursos online, suplementos, maquiagens, softwares, treinamentos).
- Site: www.digistore24.com
- Ideal para iniciantes por ter muitos produtos com as ferramentas para divulgação prontas!
- Não requer aprovação prévia para promover os produtos

1. Gravity do Produto:

Número que indica a quantidade de publishers que fizeram pelo menos uma venda nos últimos 7 dias, quanto maior a "gravity" do produto, melhor.

2. Upsell/Downsell:

Produtos que fazem venda casada. Lembrar do combo do McDonalds (você vai comprar uma batata frita e eles te oferecem o sanduíche e o refrigerante) - Resultado: mais vendas! Promova produtos que aumentem sua margem de comissão. Alguns deles podem até triplicar seu ganho.

- Exemplo: Produto Teds Woodworking.
 - Preço normal: US\$67,00
 - Comissão de 75%.

Ou seja, a comissão de uma venda normal é em média US\$50, no entanto, este produto possui um Upsell de US\$181 e, neste caso, você pode ganhar uma comissão de até US\$125 (2,5 vezes mais).

3. Recorrência:

Algumas ofertas possuem um plano de recorrência (lembrar da mensalidade da academia). Neste caso, além de você ganhar na venda inicial, ainda tem grande chance de levar pra casa uma comissão extra todo mês enquanto o comprador se manter "matriculado" na academia, ou seja, (pagando a mensalidade do produto).

4. Affiliate Tools:

Se você é um iniciante, dê preferência para ofertas que já vêm com o kit de divulgação, como (banners, anúncios prontos, websites e etc...). Isto vai facilitar sua vida de maneira assustadora, já que produzir este material você mesmo demandaria muita habilidade, tempo e muito trabalho.
