Project features:

- 65 ready-made scenes
- More than 550 elements and icons
- Awesome atmosphere
- multi-purpose
- After Effects CC and above
- no plugins required
- 100% After Effects
- music not included
- you can create your own scenes

FREE Font: Lato http://www.latofonts.com/lato-free-fonts/
Gilroy: https://shriftkrasivo.ru/krasivyj-shrift/gilroy/
Nexa Bold: http://www.fontfabric.com/nexa-free-font/
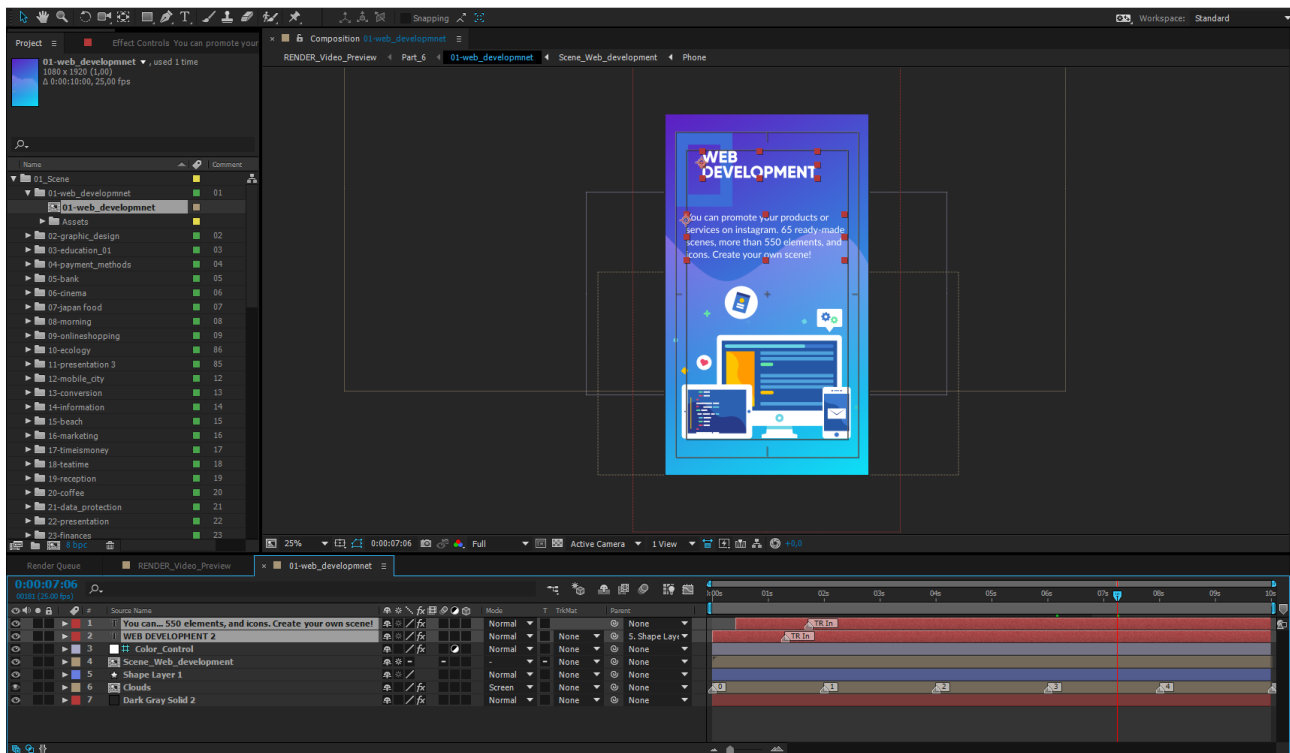

Music:

https://audiojungle.net/item/hiphop-this/22244067

The project is quite easily arranged and it is not difficult to edit.
PROJECT STRUCTURE

Edit your project is very simple, open any concept, the text is always in the main composition as shown in the picture.

Additional icons and scenes are in the folder 02. Icons_and_elemens. All items already have the animation
