

AULA 10

10- What is your salary expectation?
What are your salary expectations?

I am flexible

My salary expectations are flexible, so this is something we can discuss further down the line.

My salary expectations are flexible, what is the range that you are considering for this position?

I am flexible, but I have been considered for positions that range from 50 to 70 thousand dollars per year based on my education and my experience.

I did a little research to find out what is the average salary for this job description in the market.

The average I found was 75 thousand to 95 thousand dollars per year.

Actually, my focus is on the benefits of being a (Qatar airways) employee, including all the training and support I will have in my career.

Well, I expect a salary between this average plus benefits.
